

# Learning Objectives

for Participating Health Care Professionals

## Healing Trauma: IPNB Clinical Strategies for Applying the 9 Domains of Integration Toward Deep Therapeutic Growth

Teacher: Daniel J. Siegel, M.D.

At the end of the program, you will be better able to:

1. Identify and contrast the Nine Domains of Integration
2. Identify and contrast the impact of trauma on each of the Nine Domains of Integration
3. Compare and distinguish the seven subcortical motivational networks from one another
4. Create a diagram of the Plane of Possibility
5. Compare and contrast modern and historical views of the functions of the hemispheres of the brain
6. Explain how developmental trauma can impede integration
7. Utilize with clients the Three P perspective of the Plane of Possibility to support integration

Continuing Education content level: Introductory

- Please visit our [Continuing Education Credit information page](#) for full CEC Provider information, including license applicability, attendance requirements, cancellation, and grievance policies.
- For those licensed by a different board, please contact your licensing board directly to verify that the credits offered by the Mindsight Institute will be accepted. The Mindsight Institute does not confirm the applicability of credit for those with licenses different than those listed on our CEC information page.
- Credit is awarded for recorded instructional time only and does not include optional live Q&A sessions, if available.
- SCA is a provider approved by the California Board of Registered Nursing, Provider Number CEP16887 for 9.75 contact hours.
